ASSISTANT COMMISSIONER FOR PATENTS Washington, D.C. 20231

Dear Sir:

In response to the Office action dated December 2, 2002, please refer to the following amendment and remarks.

Claims as currently presented:

1. A method of interfacing to a system comprising:

receiving speech input data from a user;

identifying a language spoken by the user from the speech input data;

converting the speech input data into a first text in the identified language by recognizing the user's speech in the speech input data based at least in part on the language identifier;

parsing the first text to extract keywords;
